

## **SUPPLY LIST – A Portrait PAINTING in a Weekend**

For your convenience, I've compiled a list of materials for this class at [dickblick.com](https://www.dickblick.com/lists/blicku/0X8H8XGB8IVD4):  
<https://www.dickblick.com/lists/blicku/0X8H8XGB8IVD4>.

### **Supply List**

**2 copies of your photo reference** – self-portrait photo recommended but not required. Printed in color, at the same size as the surface you're painting on. Bring multiple options if you're not sure what you'd like to paint.

#### **oil paints:**

1. burnt umber
2. cadmium red (or similar color)
3. cadmium yellow (or similar color)
4. naples yellow (hue)
5. yellow ochre
6. french ultramarine, **or** cobalt blue, **or** prussian blue (or similar color)
7. permanent alizarin crimson **or** permanent rose **or** magenta
8. titanium white

optional:

1. viridian green **or** sap green
2. cerulean blue
3. any other colors you love

**linseed oil** **or** any other oil medium you like.

**surface** to paint on – 8x10 or 9x12ish, Arches Oil Paper **or** stretched canvas **or** flat panel

**board** to adhere your painting surface to – if you are using paper. A drawing board **or** Ampersand Hardboard Panel **or** masonite **or** similar. Make sure it is larger than your painting surface.

**palette** Paper Pad **or** glass palette **or** roll of wax paper

**painter's tape** – 1 or 2 inches wide.

**palette knife** – Blick Painting Knife style 132 or similar (for mixing paint colors).

**brushes** – at least 1 small filbert bristle brush (such as Princeton 6600FB or Silver Grand Prix extra long filbert 2, or similar) **and** variety of soft or bristle brushes (such as Princeton Real Value Brush Set 9130 from Blick or similar).

**2 jars with lids** – One holds solvent while you're painting; one serves as a “dump jar” to hold used solvent.

**Gamsol** – at least 8 oz of Gamsol **or** other odorless mineral spirits Gamsol strongly recommended for safety.

**cotton rags** and/or paper towels – rags recommended, old cut up tshirt works great.

#### **Optional**

Safflower oil – handy for cleaning and protecting brushes. grocery store version is ok.
